

GANESH BABU DUSHYENDIRAN

Pardot Consultant | Marketing Operations Manager | MarTech Solution Architect

+91 8508063729 @ ganeshbabu.dushy@gmail.com linkedin.com Chennai, India

SUMMARY

Certified Marketing Operations professional with hands-on experience implementing **Pardot** and **HubSpot** for 15+ clients. Demonstrated expertise in **marketing automation**, **UTM parameter tracking**, **multi-touch attribution**, and **scalable martech architecture design**. Consistently delivered measurable results, including a 30% increase in MQL-to-SQL conversion and a 25% growth in campaign-attributed pipeline within six months. Successfully automated 60% of manual marketing processes and reduced campaign setup time by 50% across regional marketing teams.

EXPERIENCE

Technical Lead

Temenos

08/2023 - Present Chennai, India

- Orchestrated the strategic marketing planning process, aligning 5+ team members with company objectives.
- Reimplemented Pardot globally, improving lead lifecycle tracking and contributing to a 30% increase in MQL-to-SQL conversion rates.
- Streamlined lead scoring, grading, resulting in a 25% improvement in Sales follow-up speed and lead quality.
- Architected the martech stack (Pardot, Salesforce, LinkedIn Lead Gen Form, Zoom, Contrast, Dreamdata, Demandbase), reducing campaign setup time and sync errors by 90%.
- Managed the integration of marketing and IT systems, resulting in a streamlined data collection process and a 15% reduction in operational bottlenecks.
- Developed scalable UTM tracking and multi-touch attribution, increasing campaign attribution visibility.
- Established standardized KPIs and built executive dashboards, boosting reporting efficiency and stakeholder alignment.

Senior Pardot Consultant

HCLTech

08/2022 - 08/2023 Chennai, India

- Implemented Pardot for over 10 clients.
- Designed and deployed scalable Pardot-Salesforce architecture to support over 1 million prospect records with real-time sync and scoring.
- Acted as Project Lead for a Pardot migration initiative involving over 600 email templates and form handlers, ensuring zero data loss and seamless transition.
- Automated 70+ complex lead routing and segmentation workflows, reducing manual intervention and ensuring faster sales follow-up across 4 regions.
- Led stakeholder workshops to gather and translate over 50 business requirements into functional specifications and automation flows.
- Coordinated with stakeholders to understand marketing needs, facilitating the successful launch of 5 major product lines.
- Conducted business process modeling and gap analysis across departments to identify automation opportunities and reduce manual effort.

Pardot Specialist

RPM International

01/2022 - 06/2022 Coimbatore, India

- Implemented Pardot for Carboline with 5 business units and trained their marketing staff.
- Oversaw the maintenance and administration of the marketing management system.
- Crafted dynamic emails, landing pages, website links, forms, and automated workflow strategies for campaigns and designs, leveraging Pardot.
- Optimized the customer journey with behavior-based email marketing campaigns and automated workflows.

EXPERIENCE

Marketing Operations Specialist

KONE

06/2015 - 12/2021 Chennai, India

- Led the optimization of marketing technology stack across Salesforce and Pardot, enabling execution and tracking of 200+ multi-channel campaigns including webinars, email journeys, and events.
- Created over 50 dynamic dashboards and 200+ reports in Salesforce to support campaign performance tracking, lead funnel visibility, and sales alignment.
- Developed and maintained 100+ user profiles, role hierarchies, and sharing rules in Salesforce to support secure access and tailored reporting views.
- Automated and improved data management operations, including segmentation and list governance, resulting in cleaner prospect data across 100,000+ records.

EDUCATION

Executive MBA - Sales and Marketing

ITM University

10/2018 - 03/2021 Chennai, India

Bachelor of Engineering

Anna University

08/2011 - 03/2015 Chennai, India

KEY ACHIEVEMENTS

Revamped Martech Architecture

Re-architected the entire marketing tech stack, integrating Pardot, Salesforce, Zoom, and third-party tools, leading to a 40% improvement in campaign efficiency and tracking accuracy.

Lead Enrichment at Scale using Clay

Implemented a custom data enrichment agent using Clay, enhancing over 6,00,000 contact records with firmographic and demographic data, significantly improving lead qualification rates.

Improved Webinar Engagement Metrics

Integrated Zoom with Pardot to automate webinar registrations and reminders, resulting in simplified campaigns and data flow.

Successful CRM Migration Leadership

Led a CRM and Pardot data migration project involving 600+ email templates and form handlers, completing delivery 2 weeks ahead of schedule with zero data loss.
